

## LWCF - Communion at Home

During this time it may be especially meaningful to observe a preparation time to prepare your own communion bread at home much like the early disciples.

### Ingredients

- 1 Bible
- 1 bottle of grape juice (if available)
- 1 Cup of All Purpose Flour
- 1/3 Cup of Vegetable Oil
- 1/3 Cup of Water
- 1/8 Teaspoon of Salt

### Communion Devotion - Making the Bread

Before adding the flour read: 1 Kings 17:8-16

Pray: Thank the Lord for provision, even during times of scarcity.

Principle: God will supply all of our needs and will provide for His Children.

Before adding the oil read: 1 Samuel 16:1-13

Pray: Thank the Lord for His presence and for His anointing of all of His servants.

Principle: God covers us with His presence and anointing. The Lord is near at all times.

Before adding the salt read: Matthew 5:13-16

Pray: Let every Believer be a witness to the goodness of God, especially in a time the world is searching for answers.

Principle: Believers are a blessing from God to the world. Each of us is a witness of Jesus and can help to point others to Christ Jesus.

Before adding the water read: John 7:37-39

Pray: Let us come to Jesus with all of our needs and thirst.

Principle: Jesus is the answer for all who thirst and He fills us with fountains of living water.

Finally, when the dough is made - read John 6:47-51.

Preheat your oven to 425 degrees and prepare a greased or parchment lined baking sheet. Mix all ingredients together and knead into a lump of dough.

Separate the dough into six small portions and use your hands to roll the portions into a ball.

Place each dough ball on the baking sheet, and press into a flat wafer with the palm of your hand.

Bake in the oven until cooked, about 8-10 minutes.

*One way to observe communion together is by reading from Matthew 26:26-29 and praying as a family before taking the elements. Then, talk together as a family about what this means and why it's important.*
