Weekly Reflection

Q: What else does Christ's death redeem?

A: Christ's death is the beginning of the redemption and renewal of every part of fallen creation, as He powerfully directs all things for His own glory and creation's good.

"For it pleased the Father that in Him all the fullness should dwell, and by Him to reconcile all things to Himself, by Him, whether things on earth or things in heaven, having made peace through the blood of His cross." -Colossians 1:19-20
